Garlic and Onion (Varieties Pending)

Hint: Print out this handy shopping list the week before the event, just in case we add any new surprises.

Great American Seed Up, Phoenix 2017, Seed Shopping List

www.GreatAmericanSeedUp.com

Imagine walking into a room filled with over 60 varieties of seeds ready to literally be scooped up and taken home for planting, sharing, or saving. This is exactly what the **Great American Seed-Up** is all about. “The idea is to give valley residents and opportunity to learn about seed saving, and then to harvest as many pounds or ounces of seed to take home,” says Greg Peterson, Urban Farm Founder and local seed saver.

We are partnering with the **Uptown Phoenix Farmers Market** and holding the event at **North Phoenix Baptist Church** at 5757 N Central Ave, Phx 85012. There are two days this time:

- Friday: 5-9pm with a 6pm movie “*Seed, the Untold Story*”
- Saturday 10am to 2pm with three Seed classes

The event features a seed bazaar with bulk quantities of popular vegetable seed varieties available for purchase at **bulk discounts**. Attendees are encouraged to buy and share the seeds with their neighborhood and community groups to spur local gardening and seed saving efforts. “We’re trying to get seeds in the hands of the people,” says Seed-Up co-organizer Bill McDorman of **Seedsave.org** and **The Rocky Mountain Seed Alliance**. “The more seed diversity we have growing in our neighborhood gardens and backyard plots, the more resilient we’ll be as a community. These seeds are the best varieties we can find in bulk to help you start your seed saving adventure.”

Also featured at the **Seed-Up** will be **presentations and workshops** with seed experts to spread knowledge about traditional and modern seed saving practices. Discussion topics will include: how to save and store seeds, planting and starting seeds, how to start a seed library, how to properly store your new seeds and how to grow a garden using your new seeds.

69 seed varieties at this point

Beans - 3 Varieties
Beets - 2 Varieties
