* New Variety for 2019

Great American Seed Up, Phoenix 2019, Seed Shopping List

www.GreatAmericanSeedUp.com

Imagine walking into a room filled with over 90 varieties of seeds ready to literally be scooped up and taken home for planting, sharing, or saving. This is exactly what the **Great American Seed-Up** is all about.

“The idea is to give valley residents and opportunity to learn about seed saving, and then to harvest as many pounds or ounces of seed to take home,” says Greg Peterson, Urban Farm founder and local seed saver.

We are partnering with the **Uptown Phoenix Farmers Market** and holding the event at **North Phoenix Baptist Church** at 5757 N Central Ave, Phoenix 85012.

Friday, Sept 27th 5-9 pm

with presentation by Kimber Lanning of Local First

Saturday, Sept 28th 10 am to 2 pm

with 9 short seed related classes

The event features a seed bazaar with bulk quantities of popular vegetable seed varieties available for purchase at **bulk discounts**. Attendees are encouraged to buy and share the seeds with their neighborhood and community groups to spur local gardening and seed saving efforts. “We’re trying to get seeds in the hands of the people,” says Seed-Up co-organizer Bill McDorman of **Seedsave.org**. “The more seed diversity we have growing in our neighborhood gardens and backyard plots, the more resilient we’ll be as a community. These seeds are the best varieties we can find in bulk to help you start your seed saving adventure.”

We will have a special *Limited Quantity Table* with limited quantities of some seeds.

Be sure to reserve your space and access to the online classes by going to www.GreatAmericanSeedUp.com
