Imagine walking into a room filled with over 90 varieties of seeds ready to literally be scooped up and taken home for planting, sharing, or saving. This is exactly what the **Great American Seed-Up** is all about.

“The idea is to give valley residents and opportunity to learn about seed saving, and then to harvest as many pounds or ounces of seed to take home,” says Greg Peterson, Urban Farm founder and local seed saver.

Partnering with **Uptown Phoenix Farmers Market**, the event will be at North Phoenix Baptist Church 5757 N Central Ave, Phoenix 85012.

**Friday, Oct 1st 4 pm to 8 pm**  
**Saturday, Oct 2nd 10 am to 3 pm**

**Be sure to reserve your space and access to the online classes by going to [www.GreatAmericanSeedUp.com](http://www.GreatAmericanSeedUp.com)**

The event features a seed bazaar with bulk quantities of popular vegetable seed varieties available for purchase at **bulk discounts**.

Attendees are encouraged to buy and share the seeds with their neighborhood and community groups to spur local gardening and seed saving efforts. “We’re trying to get seeds in the hands of the people,” says Seed-Up co-organizer Bill McDorman of **Seedsave.org**. “The more seed diversity we have growing in our neighborhood gardens and backyard plots, the more resilient we’ll be as a community. These seeds are the best varieties we can find in bulk to help you start your seed saving adventure.”
